461 North Dale Street (at the corner of University)****Meeting objective:** The task force will recommend policies for the “Residences” section of the Land Use Plan update. This includes:

- revisions to existing policies
- deletion of policies that are no longer needed
- addition of policies

**The central question to consider: Metropolitan Council projections include 7,000 additional households between now and 2020. Where should new housing units be developed?**
